"It Came Upon the Midnight

Dear Brother Lion: One chief concern of the average American today is security. The National Life Underwriters' association has prepared a sound picture. a drama, if you please, which portrays the functions of life insurance and its place in providing security for mankind. A cast of motion picture stars

have been used in the production of the 25-minute film and the customary technical facilities are used

If you own a policy of life in surance you will want to see this picture. The film is informative timely and intensely dramatic Very truly yours,

THOMAS I. ELLIOTT.

Since our readers responded to the last call for a heating stove we

again put forth the effort to obtain another for a cabin at the boy

scout camp. During the winter months troops take over night trips

if anyone knows where a coal stove or old furnace might be located

Last winter during the bad slippery weather the highway depart-

ment took great care and had all bad roads and icy spots ashed

right on the dot. We hope that the coming bad season will be as

well taken care of. Flat spots as well as hills sometimes need

ashes Especially the one right in front of the Highway building
